Auctioneer of the Year Committee: Job Description

The job description for the Auctioneer of the Year Committee is to recruit and encourage any and all active Kentucky Auctioneer Association members to nominate another viable Kentucky Auctioneer Association member candidate for the auctioneer of the month. If for any reason nominations are not received, the committee will discuss amongst themselves and choose no more than ten viable candidates. The committee will evaluate the point system forms filled out and choose no more than ten candidates a month to receive the award. At the end of the year the committee will review the point systems for each auctioneer of the month and whoever has the highest points for the entire year will in turn be awarded the Auctioneer of the Year Award.
