Excerpts from KAA ELECTION AND NOMINATING COMMITTEE GUIDELINES

“A nominee should be a member in good standing and should have participated in previous annual meetings of the Association.” “Each nominee shall be given an opportunity to address the general membership (up to three minutes) as to his/her qualifications and why they would like to serve. A nominee may have someone else speak on his or her behalf as an alternative to personally addressing the membership.”

A complete copy of the Election and Nominating Guidelines are available.
